Resolutions

Resolution 2020-38 Approval of National Fuel Gas New Service Installation

Mr. Martin explained that this pertains to the construction project for the Snow Removal Equipment (SRE) building. National Fuel will install a new line for a not to exceed amount of \$22,800. We will see long term savings with the gas line verses propane as was shown in the project specifications (propane is very expensive).

Marybeth Smialek moved, and Gregory Hayes seconded. Approved by Yeas: Christopher Parker, Richard Wagner, Daniel Giannelli, Aaron Susmarski, Gregory Hayes, Patrick Cappabianca, David Hallman, Jr., Marybeth Smialek, and Andrea Zdaniewski

Resolution 2020-39 Award of Terminal Building Entrance Vestibule Replacement Bid

Mr. Martin explained that this project will replace the existing revolving doors with double sliders and eliminate one of the four doors. The new doors will be ADA

compliant and offer energy savings. In response to a comment by Mr. Cappabianca regarding the low bidder calling him after all original bids were thrown out for being non-responsive, Jennifer Gornall explained the proper bidding process. Mr. Cappabianca explained that this gentleman was upset because everyone knows what his low bid was for the rebid. Mr. Cappabianca doesn't think it is fair that bids are read in public. Ms. Gornall again explained the proper bidding process. Contracts are awarded to the lowest responsible and responsive bidder. Ms. Gornall added that she even held a session with bidders on how to properly complete the paperwork so bids would not have to be thrown out again. The gentleman who called Mr. Cappabianca was indeed the lowest responsible and responsive bidder the second time around.

Patrick Cappabianca moved, and Gregory Hayes seconded. Approved by Yeas: Richard Wagner, Daniel Giannelli, Aaron Susmarski, Gregory Hayes, Patrick Cappabianca, David Hallman, Jr., Marybeth Smialek, Andrea Zdaniewski, and Christopher Parker

Resolution 2020-40 Acceptance of Executive Director's Employment Contract

Mr. Parker reported that the Board met several times to discuss the matter of the Executive Director's employment contract. All Board Members have been provided with a copy of the final contract as prepared by the Knox Law Firm.

Mr. Cappabianca stated that he likes Derek and his opinions are not personal. He feels that this is an intelligent Board but often scratches his head over how his opinion differs from that of the majority of the Board. Mr. Cappabianca feels the proposed pay raise of 4% this year and a \$10,000 contribution to his retirement for 5 years was snuck into the contract. Mr. Cappabianca stated that he can't hear so didn't attend any of the meetings when the contract terms were discussed. Mr. Cappabianca feels he deserves respect and he wants to do what is right for the community. Patrick Cappabianca made a motion to table this resolution until it can be further discussed. Gregory Hayes seconded the motion. The motion to table failed by a vote of 6 (Christopher Parker, Daniel Giannelli, Aaron Susmarski, David Hallman, Jr., Marybeth Smialek, and Andrea Zdaniewski) to 3 (Richard Wagner, Gregory Hayes, and Patrick Cappabianca).

After the motion to table the acceptance of the contract failed, Patrick Cappabianca made a motion to amend the contract to remove the pension contribution altogether (strike paragraph 4.e.) from the Executive Director's employment contract. Gregory Hayes seconded the motion. The motion to strike the pension contribution (paragraph 4.e.) failed by a vote of 5 (Daniel Giannelli, Aaron Susmarski, David Hallman, Jr., Marybeth Smialek, and Christopher Parker) to 4 (Gregory Hayes, Patrick Cappabianca, Andrea Zdaniewski, and Richard Wagner).

After the motion to remove the pension contribution from the contract failed, Mr. Cappabianca made a motion to reduce the pension contribution to \$1,000.00 instead of \$10,000.00. Gregory Hayes seconded the motion to reduce the pension contribution. The motion to reduce the pension contribution from \$10,000.00 to \$1,000.00 failed by a vote of 5 (David Hallman, Jr., Marybeth Smialek, Christopher Parker, Daniel Giannelli, and Aaron Susmarski) to 4 (Gregory Hayes, Patrick Cappabianca, Andrea Zdaniewski, and Richard Wagner).

Mr. Wagner stated that he does not believe the Authority should be contributing to Derek's pension plan. He feels the airport has been too generous. Mr. Wagner stated Mr. Martin possesses many strong qualities but there are some things he wishes Derek would do differently.

With no further discussion, Mr. Parker asked for a motion to accept the Executive Director's employment contract as presented. David Hallman, Jr. moved, and Andrea Zdaniewski seconded. Approved by Yeas: David Hallman, Jr., Marybeth Smialek, Andrea Zdaniewski, Christopher Parker, Daniel Giannelli, and Aaron Susmarski. Nays: Patrick Cappabianca, Richard Wagner, and Gregory Hayes.

New Business

After an inquiry from Mr. Parker, Mr. Pacansky stated that the budget will be distributed to the Board via email on or before November 1st. Mr. Cappabianca asked for a copy of the budget be mailed to him because he cannot open emailed attachments. Mr. Pacansky added that he will have thumb drives with the budget available for pick up also. Michelle Magee will send out notification for budget review meetings.

Mr. Parker reminded everyone that the November and December Board Meetings will be held a month earlier than usual due to the holidays. The November meeting will be at noon on Wednesday November 18th and the December meeting will be at noon on Wednesday December 16th. Both meetings will be held in the 2nd floor conference room of the Intermodal Center.

Mr. Parker appointed the Nominating Committee: Chair, Patrick Cappabianca and members Andrea Zdaniewski, Richard Wagner, and Aaron Susmarski. Mr. Parker stated that the Committee will present a slate of officers for 2021 at the December Board Meeting. The slate will be voted on at the January meeting. Mr. Cappabianca asked that Board Members interested in holding office in 2021 to please contact the Committee.

Mr. Parker read the letter he submitted to the County Executive, County Council, Liaison Kim Clear, Mr. Martin, and Ms. Gornall regarding his term expiration on the Board. Mr. Parker will step down December 31, 2020 even though his term technically goes until into 2021.

Liaison Comments

Erie City Council Liaison Michael Keys stated he was happy to see the new service because he flies to North Virginia frequently.

Board Member Comments

Mr. Wagner would like to see the Board tie up the following loose ends:

- Mr. Wagner brought up the K9 officer and dog. Mr. Martin put a stop to the discussion as this is a matter to be discussed in Executive Session.
- The wall hangings of the aviators belong in the airport in his opinion.
- We should be concentrating on economic redevelopment of the entire area not just running an airport. If the property we are selling was marketed properly, then it could be used by someone else. We need to revitalize our community and not be dependent on what American Airlines, Delta Air Lines, and United Airlines are doing.

- Mr. Wagner and Mr. Cappabianca have invited some economic development people to the next Board Meeting. Maybe we can get Millcreek Township under a long term lease for something.

Mr. Hallman commended Mr. Parker on his service as Board President. He has done a tremendous job!

Executive Director's Report

Mr. Martin reported success at last week's TSA Pre-Check Enrollment Event. There were 187 individuals enrolled during our weeklong event.

Mr. Martin provided updates on airport projects.

Mr. Martin gave a brief summary of the impact to the airport of the Biden and Trump visits. When President Trump visited, we had 120 law enforcement from various agencies here, 98 prohibited items were confiscated, and there were more than 10,000 attendees for the rally. North Coast Air hosted the rally which was in violation of their lease agreement.

Mr. Martin reported that ERI is exceeding the national average for load factors. Also, ERI is the lead airport at the Charlotte hub for American.

Mr. Martin announced that several local and state companies are working on the SRE building project. All materials are 100% American made! Perry Construction is doing a great job on this project.

Patrick Cappabianca made a motion to adjourn and Marybeth Smialek seconded.
