

We have an immediate need for a full-time Heavy Duty Mechanic with 5 years' experience who can troubleshoot, diagnose and repair equipment with accuracy and speed. Candidates must be able to pass pre-employment physical; drug/alcohol screening; criminal background check; and possess a valid driver's license. Hours are Monday through Friday 7:00 a.m. to 3:00 p.m. with overtime as necessary; including weekends. Tools are provided. Our company offers a competitive salary and excellent benefits. This position requires:

Knowledge of:

- Maintenance and repair of all vehicles and equipment; diesel and gas engines
- Hydraulic, electrical and other systems
- Safety practices and techniques

Ability to:

- Diagnosis, repair, installation, and maintenance on heavy, medium and light equipment
- Repair and replace damaged or worn parts
- Keep complete and accurate records of repair and maintenance and repair histories on all vehicles and power equipment; order repair parts
- Maintain a complete inventory system of equipment, tools, supplies
- Identify and complete preventative maintenance
- Capable of accomplishing tasks independently without direct supervision

Skills:

- Computer literate
- Communication skills/written and verbal
- Welding and fabrication is a plus

If qualified and interested, please send your resume to kscharrer@erieairport.org. Deadline for resume submission is October 30, 2018.
